## Cabinet Adviser - Municipality of Córdoba

2015 - Present

As a public officer, I'm in charge of the development of the management systems of the educational programs of the Municipal Education System, its communication, and the coordination of its community managers. I also provide technical support in some programs developed by the schools.

Finally, in cooperation with the Modernization and Technology Secretary, we pursue to guarantee a closest connection with the neighbors and beneficiaries of the Schools, Kinder Gardens and Educational Centers of the Municipality of Córdoba.

## Cofounder and partner in 2612/c

2612/c is a multimedia communication consultancy. We provide solutions since 2015 to both public and private sector clients and institutions. We take care about branding, digital communication, online marketing, web development and mobile apps.

Some of our clients: National University of Córdoba (2018), Capilla del Monte City Hall (2017), Eilat Travel and Tourism (2018), Franja Morada UBA (2014), Political campaign of Titina Nicoletti (2015) - Advice of Governor Gerardo Morales Committee (2014) - National Congresswoman Elías de Pérez (2017).

## Web development for National Congresswoman Brenda Austin

Branding, digital Media, and web development.  
2016

## “MercoCED” - Network of Law Student Centers on MERCOSUR

Branding, social media and web development.  
2014

## Modernization Assistant at Córdoba's Judicial System

CEDI Consulting & Training - 2014 to 2016

## Secretary of press and diffusion

Rebranding, digital Media, online marketing, databases management and web development.

University Federation of Córdoba - 2012 to 2014

## Freelance

Web & Graphic Design.  
2010 to 2014

## PROFESSIONAL EXPERIENCE

Current job  
public profile
